

How to Eliminate Blessing Blockers

GET IN POSITION TO RECEIVE YOUR MIRACLE/BREAKTHROUGH

PART 4

Many Christians are asking God to move in their lives in one form or another and have not received an answer. It is possible that they haven't heard from God yet due to unseen Blessing Blockers. In this series, we will identify these blessing blockers, outline scriptures for overcoming them, and provide actionable steps to help unlock your blessings. Let's dive in!

10. UNHEALTHY RELATIONSHIPS

God's people get their blessings blocked because of the unhealthy relationships they become involved in. When the Bible speaks of "not being unequally yoked", it's not just for married couples. It is for every relationship you have. Friends, acquaintances, neighbors, co-workers, business partners, etc. (2 Corinthians 6:14)

Scriptures: Proverbs 27:17; Proverbs 13:20; Psalm 1:1; 1 Corinthians 15:33

ACTION STEP

Invest in healthy relationships with others of like faith and don't fall prey to the pressure of being everyone's friend! Dare to be different.

11. SIN

Sin generally refers to any action, thought, or attitude that is considered morally wrong or a transgression against a divine law or standard of God. Sin is also often seen as a deliberate violation of God's will and a disobedient act. (James 1:14-15)

Scriptures: James 4:17; Proverbs 28:13; 1 John 1:9

ACTION STEP

Sincerely repent of all sin, avoid environments that encourage or promote sin and ask God the Father for grace and more grace to overcome sin in your life.

12. NEGATIVE THINKING

Negative thinking patterns are automatic, intrusive thoughts that can disrupt our perception of reality and lead to negative emotions and behaviors in our lives. Some of these patterns include Polarization, Overgeneralizations, Emotional Reasoning and Jumping to Conclusions just to name a few. (Proverbs 23:7)

Scriptures: Romans 12:2; Proverbs 4:23; Psalm 139:23–24; Colossians 3:2

ACTION STEP

Read and meditate on God’s Word daily and your mind will begin to be renewed to God’s way of thinking. Begin to identify sources of negativity in your life and limit those negative influences.

13. GUILT/ SHAME/CONDEMNATION

Guilt stems from feeling you’ve done something wrong, while shame is about feeling unworthy or bad about yourself, and condemnation is a sense of being judged or punished for things. All these distinct emotions can block your blessing from God! (Romans 8:1)

Scriptures: John 3:18; Psalm 32:5; 1 Peter 4:16; Romans 3:23

ACTION STEP

Choose to believe God’s Word! Then repent of any sin committed, then receive Jesus as Lord and Savior. Believe you have received forgiveness after you have repented. When feelings of guilt or condemnation return or flare up, speak God’s Word out loud to the attack and declare that there is no condemnation for those who are in Christ Jesus!
